ORDER ADOPTING REPORT & RECOMMENDATION

Before the Court is Magistrate Judge Maureen P. Kelly's Report & Recommendation (ECF 48) recommending that Plaintiff Thorne Thomas's complaint be dismissed with prejudice for failure to prosecute. Having reviewed the Report & Recommendation and the record in this case for clear error, and having considered that no objections to the Report & Recommendation were filed, the Court finds no clear error on the face of the record.

It is **ORDERED** that Plaintiff Thorne Thomas's complaint is dismissed with prejudice for failure to prosecute, consistent with the Report & Recommendation.

DATED this 11th day of March, 2024.
